

Brooks Automation, Inc.

RoHS Compliance

Brooks Automation, Inc. hereby confirms that applicable product(s) meet the requirements of the Restriction of Hazardous Substances (RoHS). To determine if the product you have received meets the requirements review the packing slip documentation shipped with the product. This document contains the term “RoHS Compliant” followed by the applicable compliance specific to that product.

Products marked RoHS 6 or RoHS EX on the packing slip meet the threshold limit requirements for the substances defined by the EU RoHS Directive (2002/95/EU) and that the substances were not intentionally added during the manufacturing process.
