

Fixload Power Supply Upgrade (TZP80 Elite)

Power Supply Upgrade:

- Replacement of the TZP 80 power supply on FIXLOAD 4, 5, 6 loadports with the new TZP 80 elite.
- The TZP80 Elite is based on an improved electronic design that is fully backwards compatible to the existing design.

Value Proposition:

The TSP 80 Elite Power Supply upgrade is for customers who have an increased concern about reliable performance on the FIXLOAD 4, 5, and 6 loadports.

TZP80 elite upgrade for FIXLOAD 4, 5 and 6
